Fundi Match

INTRODUCING FUNDIMATCH!

Welcome to

The Future of Career Matching!

DID YOU KNOW? South Africa has a **60% dropout rate** for **first year students** at tertiary institutions!

FundiMatch Career Assessments can help **match students'** aptitude with their **career choice** before they enter tertiary education.

This helps students make the **best decisions** when it comes to choosing their majors.

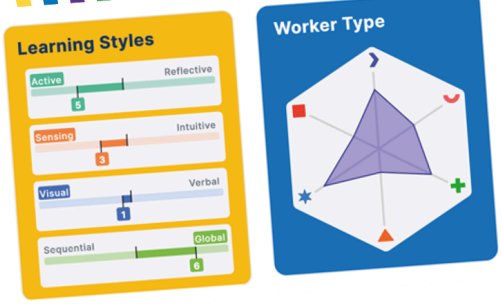
Fundi Match

The Future of Career Matching!

How?

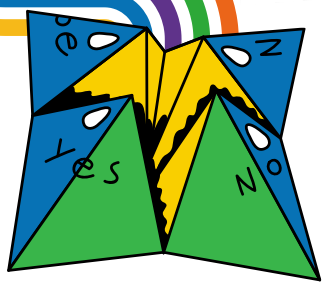
A student or actually anyone

Takes the online assessment



Gets a Personality Report

FundiMatch then provides data matched career types that are suited for the students' personality



Students can now make the best career decision based on data metrics of their personality composition.

Fundi Match

Costs are scaled down as more licenses are purchased.

License purchased	Cost per license	Discount
0 - 100	R 500,00	0%
101 - 250	R 475,00	5%
251 - 500	R 450,00	10%
501 - 1000	R 425,00	15%
1001 - 5000	R 400,00	20%
5001 - 25000	R 375,00	25%
25000 - 50000	R 350,00	30%
